# Great Lakes Green Chemistry Network

*Working Binationally for a Chemical Safe Future*

GLBTS Stakeholder Forum and  
Integration Workgroup Meeting  
Thursday, December 3, 2009  
Chicago, IL

**The mission of the Great Lakes Green Chemistry Network is to create a partnership between academia, industry, government, labor, and NGOs to promote Green Chemistry practice, outreach, and education in the binational Great Lakes region.**

# **Great Lakes Green Chemistry Network ADVISORY BOARD**

**Tracey Easthope**

**Environmental Health Director, The Ecology Center of  
Michigan**

**John Jackson**

**Director, Clean Production & Toxics Program, Great  
Lakes United**

**Fe de Leon**

**Researcher, Canadian Environmental Law Association**

**C. J. Li**

**Canada Research Chair (Tier I) in Green/Organic  
Chemistry, McGill University**

# **Great Lakes Green Chemistry Network ADVISORY BOARD**

**David Long**

**President, Environmental Sustainability Solutions, LLC**

**Karen Peabody-O'Brien**

**Executive Director, Advancing Green Chemistry**

**Beverley Thorpe**

**Director, Clean Production Action (International)**

**Joel Tickner**

**Director, Lowell Center for Sustainable Production**

# Outreach and Education

Monthly Free Telephone Seminars with  
leaders and experts:

- ❑ David Long
- ❑ Julie Haack and Philip Jessop
- ❑ James Hutchinson
- ❑ James Clark – York, UK
- ❑ Julie Manley and John Kindervater

# Outreach and Education

**December 16:**

**Robert Peoples**  
**American Chemistry Society Green Chemistry**  
**Institute**

**February 3, 2010:**

**Linda Birnbaum**  
**Director, National Institutes of Environmental**  
**Health Sciences**

# Outreach and Education

Great Lakes Green Chemistry Network  
Web Page

[WWW.GLGC.ORG](http://WWW.GLGC.ORG)

- ❖ Audio and PowerPoint of past phone seminars
- ❖ Green Chemistry News
- ❖ Green Chemistry Resources
- ❖ Coming Soon – CATALYST - a Green Chemistry “Community” Blog

## Presentations

- ❖ Great Lakes Regional Pollution Prevention Roundtable
- ❖ Chicago Corporate Responsibility Breakfast
- ❖ University of Illinois at Chicago School of Public Health Interdisciplinary Environmental and Occupational Health Seminar

# Green Chemistry and Engineering Annual Meeting

Three sessions organized by GLGCN:

- ❖ Design Signals From Environmental Health Sciences: What Chemists Should Know  
with Linda Birnbaum, Howard Frumkin, Peter DeFur, and Jane Houlihan
- ❖ Standards, Metrics, and Measures - Do We Need Them?
- ❖ Policies and Tools for States to Promote Green Chemistry

## Policy

- ❖ ANSI ACS-GCI Standards Setting – “Standard for Greener Chemicals and Processes”
- ❖ National Conversation on Public Health and Chemicals Exposure

## In The Future . . .

- ❖ Great Lakes Green Chemistry STUDENT Network – collaboration with Grand Valley College, Beyond Benign, and GEMS
- ❖ Great Lakes Water Quality Agreement Green Chemistry Annex
- ❖ Innovative solutions to Great Lakes challenges – The Great Lakes Green Chemistry Challenge for students
